# MASCOT LOCKERS

## WHY MASCOT LOCKERS?

Mascot lockers are an excellent way to bring your existing office space to life. They can be finished in either melamine or veneer, are highly customisable and look amazing.

Lockers

Mobile Lockers

Mobile Planter Lockers

## BENEFITS:

- Hardwearing Melteca lockers that won't dent or scratch.
- Lockers reduce the need for desk based storage
- Can be used as visual and traffic barriers between groups and departments in open plan offices.
- Choose colours to match your corporate ID or office vibe
- Locks are available as standard keyed or upgrade to a Digital locking system. Keyed Locking units have a Lehmann key locking system with 2 keys.
- Add a Mail Slot, numbers or a card frame. Lockers can be numbered using either vinyl or plastic.

# PLANTERS

## WHY PLANTERS?

Use planter units to create an inviting atmosphere in your office.  
Use real or artificial plants to provide a sense of nature.  
Available in different heights and configurations,  
artificial plants included in some ranges.

## 15 YEAR WARRANTY

Ergostyle warrants its products are free from defects in materials and workmanship for a period of 15 years from date of delivery. During the applicable warranty period, we will repair or replace (at its discretion) any product, part or component covered by this warranty which fails under normal use as a result of a defect in material or workmanship with a comparable product (at its discretion). All warranty claims must be communicated directly to us. This warranty only extends to the original purchasers, products must be located in original delivery location. If products have been relocated these works must have been carried out by our approved installer. Any misuse, abuse or modification to the original product voids the warranty. (Exclusions Apply)
