JUBEL

Simple and Sleek Italian Design Visitor Chair

The Jübel Collection is a contemporary, lightweight range of stacking chairs. With a gently controlled flex that moves with the user's bodyweight to provide comfort, even for extended periods. Jübel's compact dimensions and minimal thickness will offer a wide range of applications that can be used in variously conceived interiors and for different types of seating styles. Four upholstery options, multiple shell colours, various bases and powder coat colours will provide countless combinations that complete the collection. The Jübel collection embodies the desire to design contemporary, fresh, practical and subtle seating - Designed by Eurolinea
