# axxessPLUS DUO

The axxessPLUS DUO is a frameless, perfectly-flush, indesk box that allows access from both sides of a conference desk or boardroom table.

The axxessPLUS DUO represents a top-of-the range stylish and functional solution designed to perfectly complement any boardroom table or collaborative workspace.

By having the ability to be veneered the axxessPLUS DUO maintains the superb finish of the most luxurious desks, whilst providing easy access to the custom configured Elsafe power, USB fast charging, data and AV services.

This unit is available in silver naturally anodised aluminium or recessed anodised aluminium that is suitable for veneering.
