

In today's rapidly changing workplace what works as an office layout today may not work tomorrow.

Office furniture should be flexible, agile and consider the future.

KEYSTONE™

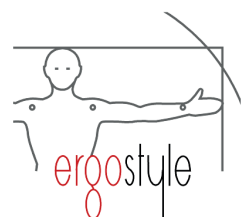

A new modular furniture system from IQ Commercial.

Building on IQ Commercial's successful series of acoustic pods, Keystone™ is another step forward in modular furniture due to its innovative, reconfigurable design.

As its name suggests, Keystone™ offers you a central, foundational system which provides support for the entire office.

A PLN Group Brand

KEYSTONE™

A multi-purpose, modular furniture system for today's rapidly-changing workplace

Keystone™ offers users a patent-pending "kit of parts" - an inventory of interchangeable components or "ingredients" which can be combined and reconfigured into various "recipes" - adapting to evolving needs with minimal investment.

PRIVATE COLLABORATIVE

INDIVIDUAL FOCUS

OPEN COLLABORATIVE / SOCIALISE

INDIVIDUAL TASK

Customise your furniture by choosing and assembling elements into unique combinations which work for your own staff and floor plan.

Each piece can be bought, shipped and stored individually depending on the requirements of an office at a particular point in time.

STANDARD FEATURES

- + Upholstered walls and seats available in a variety of fabrics and colours
- + Phonix™ nanofibre acoustic substrate reduces impact of noise.
- + Power/Data: In-wall conduit for power or data connections from floor or umbilical cords. Standard includes the base unit and an interconnect cable, starters may be required to be sourced locally.
- + Frame: lightweight, eco-friendly E1-grade MDF (low VOC); water-based glues
- + Foam: High-resilience, commercial-grade for superior comfort
- + Adjustable glide feet for easy levelling
