About

Tribal is a mobile presentation board that enhances collaboration spaces within the agile workplace. Ideal for group presentations or brainstorming sessions, Tribal is a large canvas for noting down, sharing and preserving ideas.

Sturdy, yet lightweight enough to easily manoeuvre around the office, the double-sided structure can act as a flexible partition to share between teams.

Accessory trays on both sides keeps markers and erasers handy.

Dimensions 1190L x 520W x 1800H
