Desk Cubby Mobile Acoustic Screen

A user-friendly solution to provide privacy across a range of situations, even for your own home office space. Acoustic desk screens help reduce ambient background noise and improve listening to online conversations or webinars.

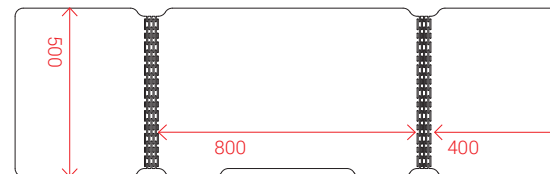

They are lightweight, made from a semi-rigid acoustic panel made from a minimum of 60% recycled PET with simplicity in mind and can be used without the need for any additional fixings.

- featuring the Flexible living hinge
- out of one piece & flat packd
- NZ made
- 12mm acoustic panels
