

# MALIBU BOOTH

## Soft Seating Collection

Malibu seating booths are the epitome of stylish breakout and soft seating solutions, perfect for modern open workspaces and reception areas. These booths provide the ideal setting for both focused work and collaborative efforts, offering versatility and elegance in one package.

Malibu booths offer excellent acoustic baffling and visual privacy, reducing distractions and noise levels in open-plan environments. The clean lines and elegant detailing make Malibu booths a sophisticated addition to any space.

Available in a range of upholstery colours and finishes, Malibu booths can be tailored to match your specific space. Choose between single chair, 2, 2.5 and 3 seat configurations with the option of a fixed wall for added privacy. Additionally, integrated USB/power outlets allow Malibu to be the perfect touch-down solution, ensuring devices stay charged and ready for use.

Manufactured locally by one of New Zealand's leading soft seating manufacturers, Malibu booths are built to last with quality craftsmanship. Each booth features a robust steel leg frame and high-density seat foam, ensuring durability and comfort.

## Dimensions

Seating	Width (mm)	Depth (mm)	Overall height (mm)	Seat height (mm)
